DiVino Ristorante

2019-2020

Divino is a family owned and operated business nestled in the rolling hills of the Yarra Valley, just an hour's drive from Melbourne.

Our contemporary cellar door and glasshouse restaurant are the heart of our Dixons Creek site, with glass walled spaces boasting expansive views to the vineyards and beyond.

Our dedicated kitchen team bring a focus on locally sourced, seasonal food with European influences to the ever-evolving menu.

Divino is available for lunch and dinner functions every day of the week.

For groups wanting a more unique event, we are happy to organise private tastings, guided food and wine pairing, wine appreciation sessions or even a master class featuring the variety of your choice for your group to enjoy.
